Phil -

Do you have Michael's approval?

I'm cleaning up my email and wasn't sure if I had missed something along the way.

Thx -
Marla

Dianne and Marla -

I support Phil attending the Metals and Mining workshop and the Pebble Keystone meeting in Anchorage in December.

This will assist in his work on the Bristol Bay watershed and the proposed Pebble Mine.

Michael and Patty,
Dianne says that she needs your concurrence before approving use of AK Resource Extraction funds for travel. The workshops happen on consecutive days. I would be in Anchorage all week the first week of December. I sent you both the flyer for the metals and mining workshop. I need our concurrence to make travel plans.

Phil
